

# DOMAINE DUREUIL-JANTHIAL

## AOC Bourgogne Aligoté White

**Geographical situation:** To the east of the village of Rully, facing east

**Grape Variety:** Aligoté

**Vineyard:** Planted in 1985 for a total surface area of 1.4283 acres

**Soil and subsoil:** Clay and iron oxide

**Vinification:** Handpicked, directly pressed without crushing. Static settling for 48 h before being put into barrels for alcoholic fermentation with no addition of yeasts (no new barrels, but generally 5 wines old)

**Ageing:** In a 19th century cellar. 12 months in barrel with malolactic fermentation, then 6 months in stainless steel vats. Bottled according to the lunar calendar.

**Character:** A long maturing period gives this wine excellent cellaring ability. Superb minerality, in spite of always harvesting at maximum ripeness

**Serving Temperature:** 12°

**Format:** 75 cl
